I. Psalm 19 declares that the knowledge of God is revealed in both _____ and _____. In classical theological terms: _____ and _____ revelation.

II. What is the nature of the problem?

- The primary problem is that many believe that a person needs to have a certain understand of _____ in order to be in right relationship with the one who claims to be _____.

III. To address the problem, we need to answer three key questions:

- How did we get here?
- Where is Genesis going?
- Where should we be going?

IV. Closing reflection: Questions about the relationship between science and the Bible are an opportunity to practice _____.

IV. Closing reflection: Questions about the relationship between science and the Bible are an opportunity to practice _____.
