Week 2 – It's His, Not Ours

Introduction:

Background: 1 Chronicles 29:11-12

Main Scripture: Luke 12:13-21 (The Parable of the Rich Fool)

Five Ways to Keep Money in its Proper Place...

1. Don't let your world shrink to the size of your latest _____ problem (vs. 13)
2. Have a war-time _____ about greed and envy (vs. 15)
3. Allow wiser people to _____ you concerning money (vs. 17)
4. Remember the _____ important money principle (vs. 20)
5. _____ richness toward God your life's priority (vs. 21)

The Big Idea:

1 Timothy 6:6 says that "godliness with contentment is great gain" (literally "the greatest gain"). Contentment is the key to fulfillment and richness. We are all very capable worshipers. The question is, which "god" are we worshipping? When we walk in gratitude, contentment and generosity, we glorify God and feel like the richest people in the neighborhood!
