**Week 1 – Welcoming our Father/Psalm 24**

---

**Overview:**

In this series, Pastor Jeremy and others will lead us through various Psalms to get to know God better - discovering many of His attributes and why He is so worthy of our worship. Through this summer series, let's allow God to mold us into the worshipers He has truly designed us to be!

**The Psalms are.....**

- Poetry and songs and prayers; directions to the leader, choirmaster
- With stringed instruments or the occasion to use them
- Used to praise God

**1 Corinthians 10:26** – “for, “The earth is the Lord’s, and everything in it.”

**Matthew 5:8** – “Blessed are the pure in heart, for they will see God.”

**The big idea** that I am taking away from this introductory message is that the authors of the psalms, the writers of the songs that we sing...the writers of songs that were hits 2500 years ago...were human beings like you and me... flawed humans that were praising God and all of his creation. Yet God in his grace and love and mercy welcomed them back into his open arms, just as He does today, despite our past, despite what we have as baggage, despite the fact that we feel we aren’t clean enough to be accepted....he sent His Son as our atonement, as the sacrifice for our sins. Once for all!

Who is he, this King of glory?
